Anticipating the Day

There's nothing like the feeling of satisfaction radiating from you. Accomplishment. We've gone through unique experiences as seniors and have stored all these memories within. As we leave, we take with us these memories which lead the way to new and better understandings. It's not until the moment of graduation that we are able to see for ourselves how these ideas fit into today's lifestyle. The time has come to realize that the world is holding priceless knowledge available to our grasp. It's left up to us whether we take advantage of these opportunities and find this knowledge. But the fact remains, we are now free to discover all of life's secrets, joys, and sorrows. We're able to see, to learn, and to know. We are about to travel on the road of life.

.....
 "So on and on I go, the seconds tick the time out, there's so much more to know, and I'm on the road to find out."

Look Until . . .

Beauty is something to marvel at. First impressions are everlasting, but take the time to look. The unique feature may be hard to identify and understand, but it is as beautiful as it is mystifying.

.....
"So on and on I go, the seconds tick the time out, there's so much more to know, and I'm on the road to find out."

... You Really See

An Impressive Scene

It's just one half the size of the present Whitmer building. Nevertheless, an enormous amount of knowledge is offered in the vocational building. This sets you off to a running start in being prepared for the world of work. The experienced staff has its hands full when it comes to giving students all they need and could possibly want. The faculty, along with the stunning facilities, gives us plenty to be grateful for. They are only paving the road to our future. We are about to travel on that road to discover everything it offers.

.....
"So on and on I go, the seconds tick the time out, there's so much left to know, and I'm on the road to find out."

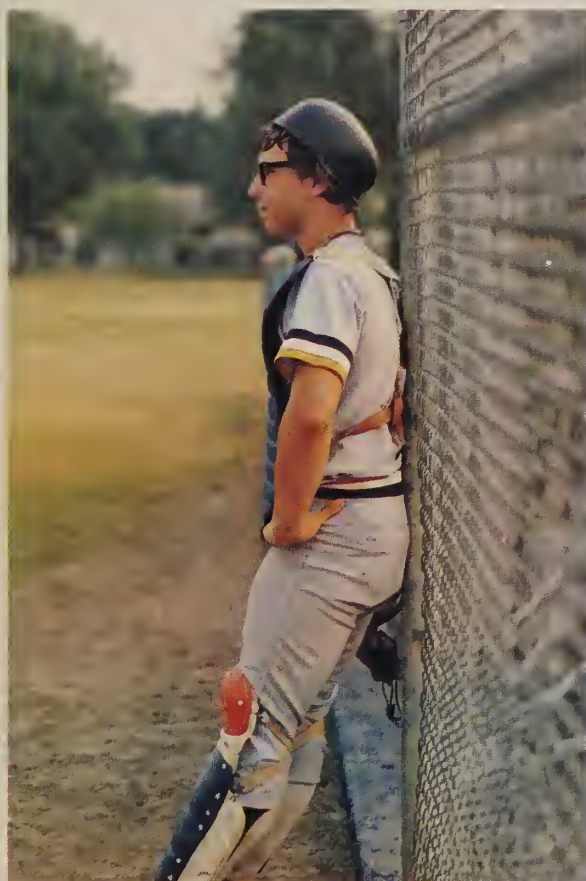

Outstanding Talents . . .

We put in countless efforts. And there's nothing more shattering than having to face defeat. It's an inner strength that enables us to gain some confidence for another try. When we do emerge triumphant it's a victory within our soul. Everything we've striven for was worth the effort. In baseball, as in other sports, competition gives you the chance to prove yourself. When you accomplish something at a sport you display high achievements. These achievements do wonders for our spirit. After seeing what we accomplished, we look at the events of the future in hopes of finding greater satisfactions.

. . . on Display

.....
 "So on and on I go, the seconds tick
 the time out, there's so much more to know,
 and I'm on the road to find out."

The Big Event

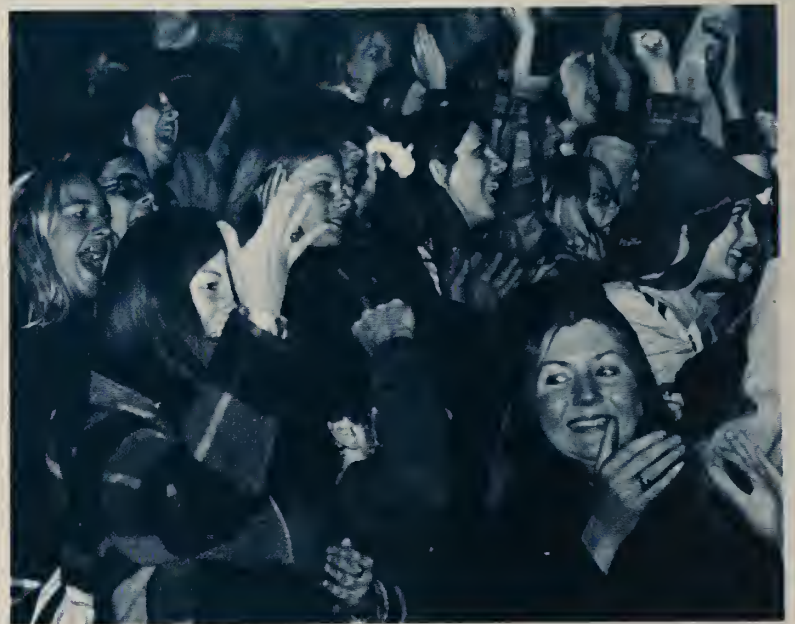

The sparkle and excitement of it all. It seems the traditional homecoming lingers on after the occasion passes. And why not? Colorful floats, an exciting battle on the field, and the crowning of a queen combine to make the night memorable. Now that we're in high school, homecoming can highlight our school year. When we leave, we will have to search for new sources of excitement to highlight our lives. These sources better our lives, but more important, they better others' lives.

.....
 "So on and on I go, the seconds tick the time out, there's so much left to know, and I'm on the road to find out."

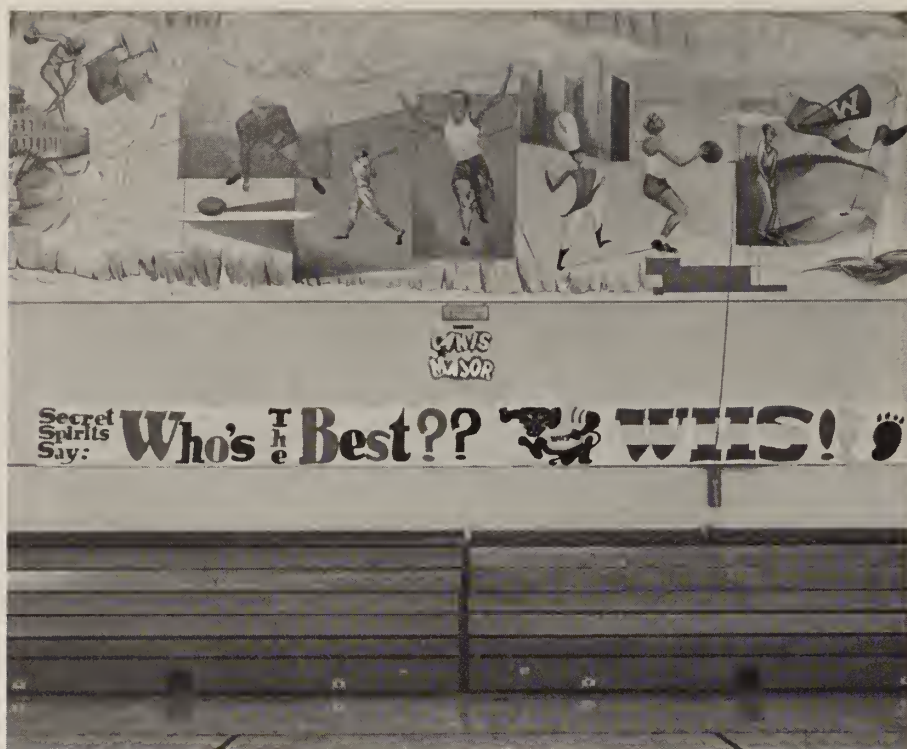

On the Road . . .

. . . to Find Out

Traditions

Traditions. They've been around quite some time. Year after year, one class after another absorbs the value of these traditions. After a while, they automatically become associated with the school. The pride is held not only in that tradition, but in that person or class that started it. It lies in the curiosity of our minds to find and start something worth remembering over the years.

.....
 "So on and on I go, the seconds tick the time out, there's so much left to know, and I'm on the road to find out."

Eighth graders use their powers of concentration while reviewing the parts of a sentence.

Sherry Cromer and Bonnie Tull apply the final details to attractive watercolors.

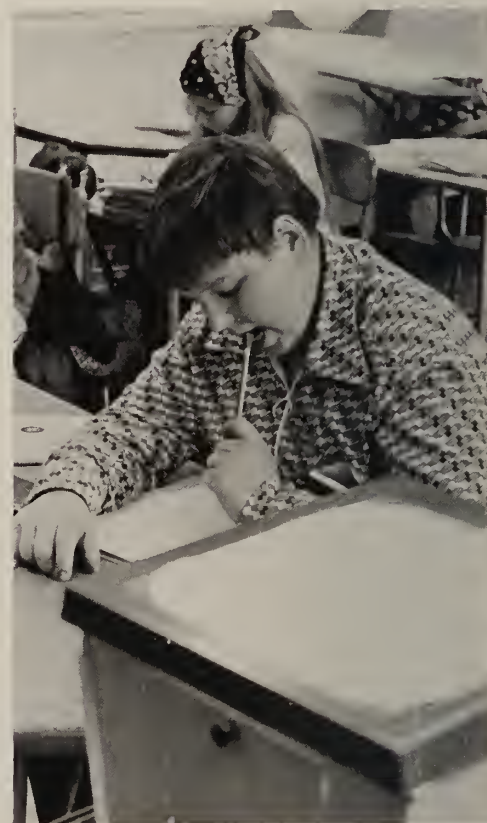

Tony Maiden and Paul Bradish glance cautiously to see where their teacher is during a test.

Bill Campbell searches a dictionary at Jefferson for the definition of a difficult word.

Shaun McCoy and Pete Michaels wonder if those phalanges (fingers) are like their own.

Dock Lewallen likes eating pencils better than figuring out answers to hard math problems.

Jefferson Students Anticipate New and Challenging Classes

Kim Wurster finds the aid of an adding machine in the resource center very helpful.

The facts of American history come easily to Robin Spratt as she reads of the olden days.

Jack Swartz makes use of a filmstrip to understand his history more completely.

The clarinet section of the Jefferson band diligently practices in preparation for an appearance in a complex-wide music program.

Ninth Graders Show School Spirit by Cheering at Games

Patti Brooks, Debbie Bauman, and Cindy Brow use Quaker Oats to make chocolate cookies.

Anita Jarrin and Jeff Marshall work on math problems when given extra time for homework.

Washington students use their spare time in class to study for an upcoming test.

Freshman Brenda Millette energetically labors over a complicated mathematical formula.

Joni Berrios finds lunches in the Washington cafeteria to be very appetizing meals.

Ninth grade students carefully evaluate the talk of one of their classmates in Speech class.

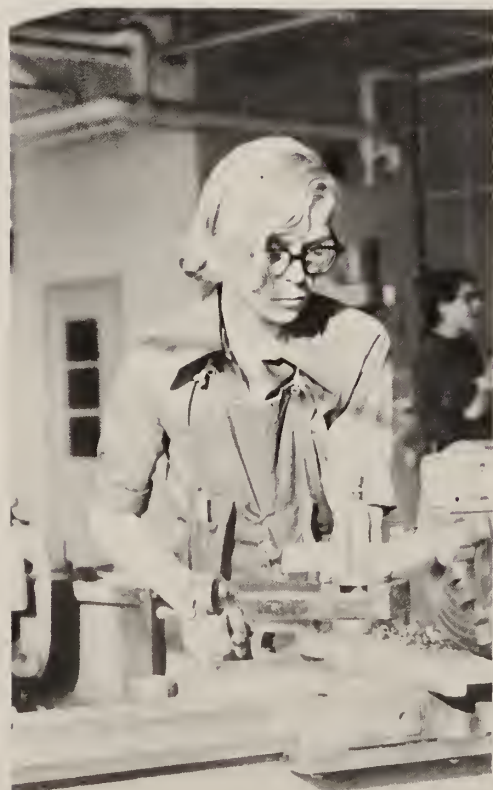

The General Science classes learn how ordinary rocks were really formed millions of years ago in the age of dinosaurs.

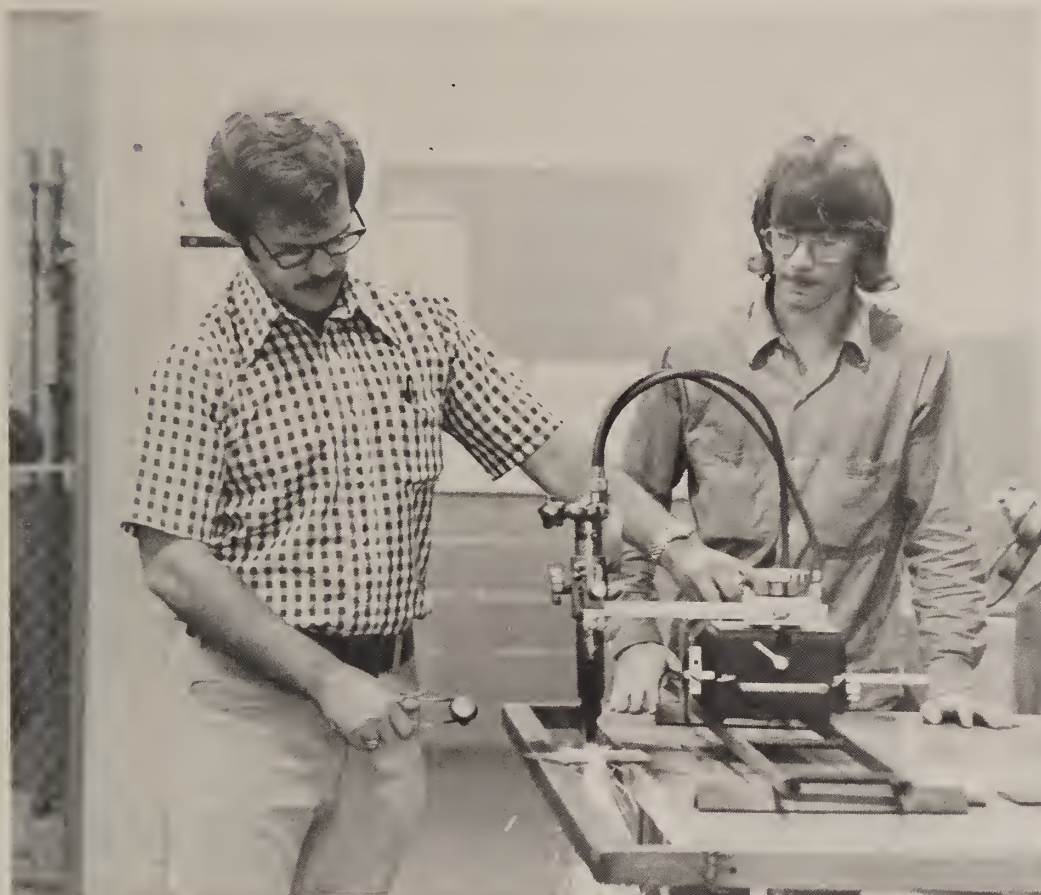

Junior Brenda Hickling, the only girl in the machine shop, learns all of the fine points used in operating a drill press.

Dale Short finds making a support for a die a very difficult task to accomplish.

Juniors in Account/Clerk I learn and apply the fundamentals of bookkeeping and accounting.

New Voc Wing Gives Many Advantages to Underclassmen

Mr. Yohe demonstrates the use of a cutting tool in Welding class to Ken Marson.

Jim Hummel designs a small and efficient machinery part in his Drafting class.

Diversified Health students practice with their dental equipment on classmate Julie Kreg.

Jody Henning and Kim Denner show creativity by designing an eye-catching display for DECA.

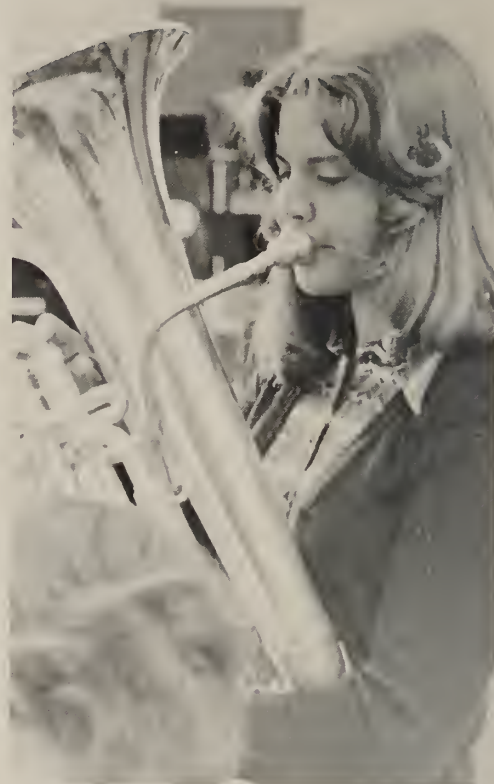

Mrs. Wright explains some of the basic facts needed to operate dental machines.

Classes Contribute Interesting Knowledge for Alert Students

Mark Garris, Randy Saunders, and Mike Collins discuss a major battle of the Civil War.

Lesley Cook uses her musical talent to play an unusual melody with her baritone.

Roger Martin strains his brain to answer difficult questions on a Social Issues test.

Interested Jefferson students look on as Chris Dudek makes a knickknack on a jigsaw.

Peggy Vrahotes makes use of one of the many pieces of equipment available at Jefferson.

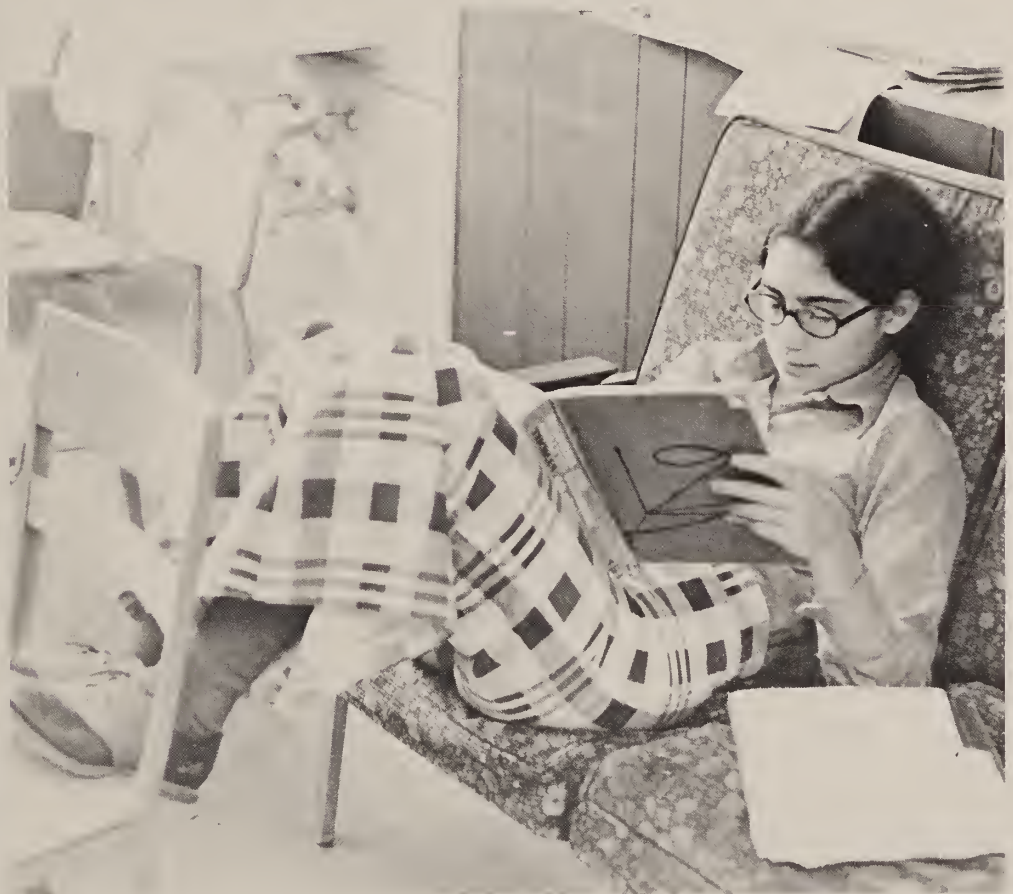

Good Times Bad Times teacher Mr. Davis tells his students what it was like to live in 1930.

Larry Vahle, Pat Meridieth, and Dave Borysiak play with a toy tractor during Physics.

A calculator intrigues science students Robin Wendt and Tom Falise with its varied uses.

Independent Study student Vicki Schwartz uses a comfortable couch as she studies Calculus.

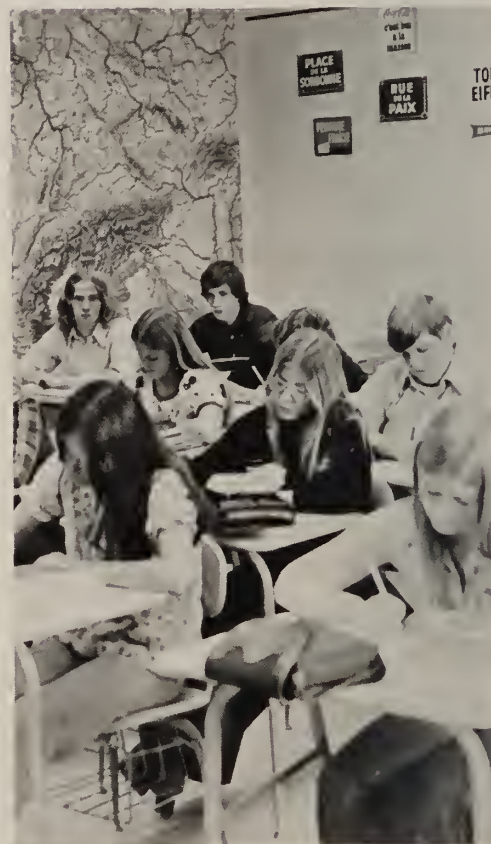

Sophie Negrin, Nancy Beauchamp, and Amy Morey rehearse the lyrics to a popular song.

Nance Elekonich tries to better her five minute timing in her typing class.

Whitmer students work diligently on a typing assignment, trying to keep errors to a minimum.

First year French students translate words from English as their teacher recites them.

Whitmer Students Impatiently Plan for Christmas Vacation

Don Dottei and Ron Cytlak sit outside the library to make sure that everyone signs in.

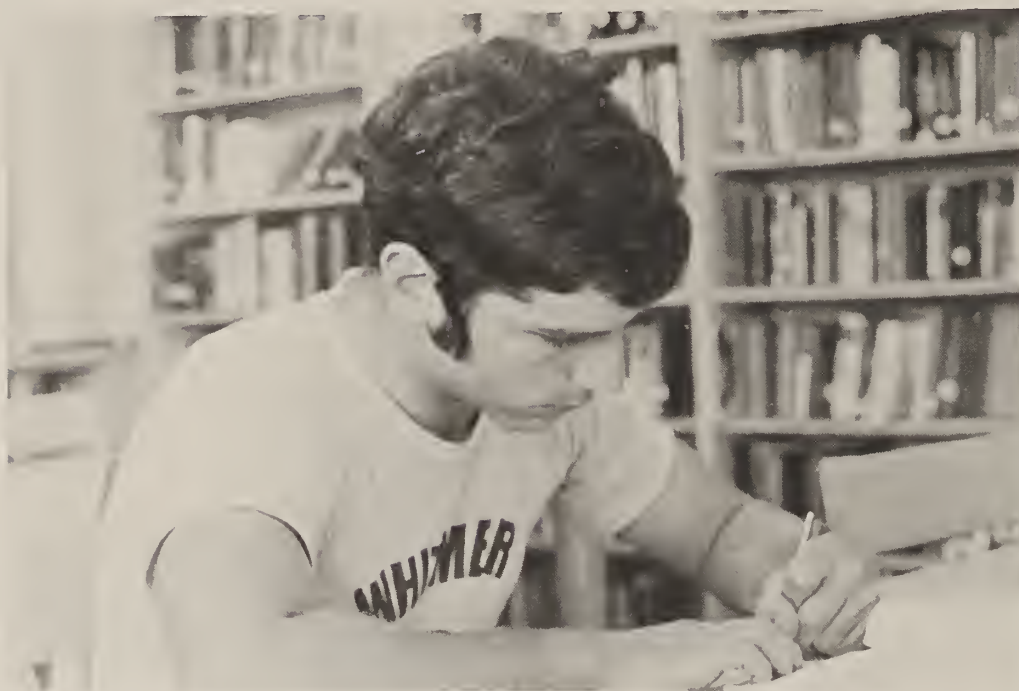

Rosa Gomez patiently waits for her teacher to ask the next question on a dictated test.

Second year German students learn about Germany by reading class assignments with much interest and comprehension.

Friday Activity Periods Give Students a Break from Work

Tom Haig makes use of the peace and quiet that is found in the library to do some homework.

During a guessing game in French class, Cordula Graeber pantomimes the actions of a cat.

Mr. Kreuz shows Mark McGowan and Stu Feldman a shortcut in a tricky Chemistry experiment.

Sophomore Mike Neitzke becomes very disgusted as he works a problem using exponents.

Cynthia Mason and Lynne Olson try to understand a many-stepped Geometry proof.

Sophomore gym students use their many skills to play an aggressive basketball game.

Janet Lewis and Sarah Sheon calmly wait for the judge's decision during a practice debate.

Cindy Drube finds being a Chemistry lab assistant an interesting way to fill her schedule.

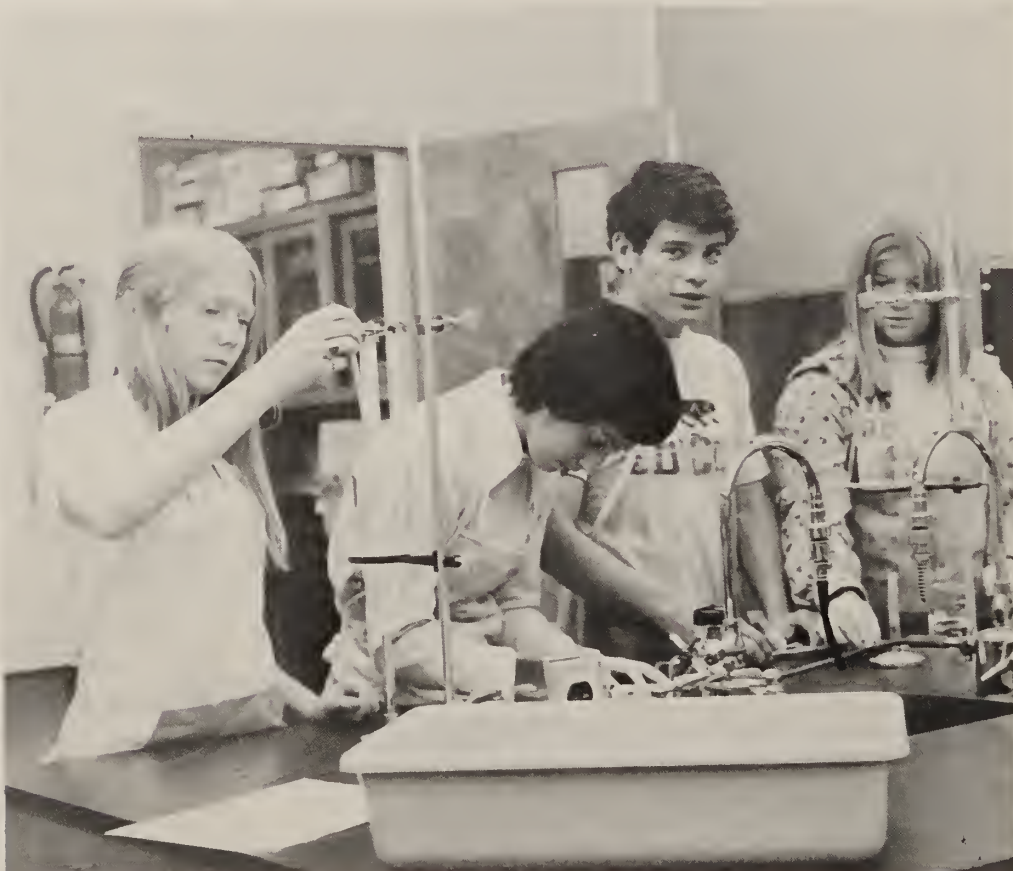

Mrs. Karazim decides to pose for the cameraman during one of Whitmer's exciting pep sessions.

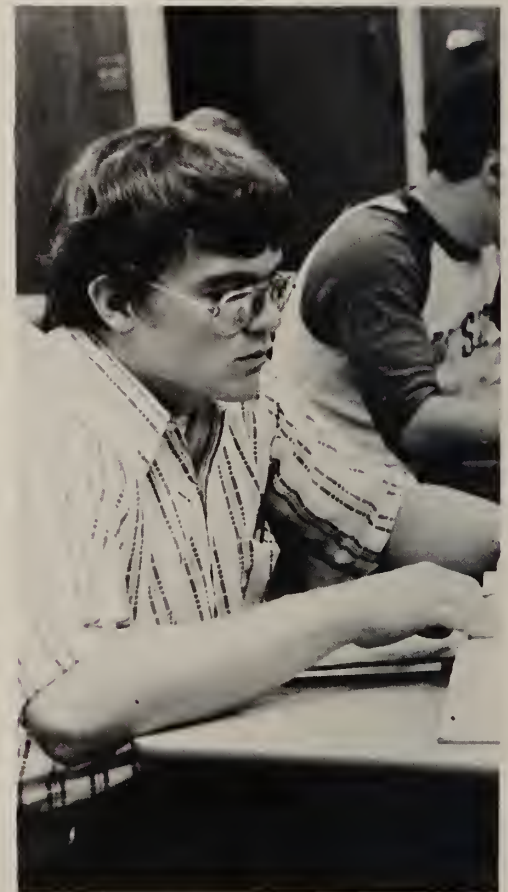

Whitmer Ceramics students proudly display many of their uniquely-shaped vases and other items.

Mr. Martin urges the team to victory during a pep talk to football players and students.

Barb Warrell, Denise Nasser, Rick Millette, and Tressy Mowka do a difficult lab experiment.

Jon Begley tries to understand new math concepts he can apply to football strategy.

Students find Friday pep sessions a welcomed break from the toil of classroom work.

Many Seniors Leave Whitmer at the First Semester's End

Mike Lee, Tom Richardson, and Ron Riddle enjoy another inspiring Geometry class.

Karen Madden, Sue Wing, and Karen Barker concentrate on conjugating their French verbs.

Julie Watt shows much talent and skill as she plays a difficult melody on the flute.

Students show appreciation of the PANTHER'S PAUSE by reading its interesting articles.

Sandy Hale, Jodi Bowerman, and Karen Francis perfect stunts while practicing for the circus.

Junior Tim Trzaskowski silently studies history in preparation for an important test.

Whitmer students in one of the exciting study halls enthusiastically prepare for their many interesting classes.

Talented Gymnasts Rehearse as Circus Time Comes Near

Cold and windy winter days keep many students inside as they wait for their buses to come.

Diane Tolson takes advantage of her free time to concentrate on a classroom assignment.

Mr. Watzler tries to promote school spirit at one of the autumn football pep sessions.

Candidate Richard Wittenberg gives students his ideas on many of the campaign issues.

Gordon Gilmore spots Linda Garbers, Chris Ford, and Angie Benore during a 3-man stunt.

After eating lunch, Bev Lefever and Jeff Lefevre casually stroll to their next class.

Beth Wistinghausen carefully prepares a dangerous chemical mixture for an experiment.

Jeff Henderson receives expert help applying mustard to his hot dog at lunch time.

Guys Wait With Uncertainty for Invitation to Turnabout

Exchange students Rosa Gomez, Cordula-Beate Graeber, and Catherine Favard pose together.

Sophomore Caroline Weaver contemplates the multiple-guess questions on her Chemistry exam.

January finds gym students learning 2-man stunts such as this inverted thigh stand.

Many delicious desserts create tough decisions for Donna Pilaczynski and Birgitta Brouwer.

Look Forward to Final Year at Whitmer

Lori Johnson demonstrates her ability in French as she leads the class in discussion.

Sarah Sheon, Sue Wiersma, and Kim Fox show much interest in a classmate's presentation.

Volleyball Makes Fall Debut in Varsity Athletic Program

Whitmer picked up a new sport this fall, girls' volleyball. The girls started slowly, but put things together toward the middle of their season.

Beginning the season shakily with three consecutive losses, the team won four of its final six matches. After spiking Springfield in two quick games by matching scores of 15-2, the girls lost to Woodward before taking successive wins over Bowling Green, Lake, and Start to finish the season at 4-5.

Team spirits rose when they proved they knew how to play volleyball by walking over the Varsity W in three straight games during a special assembly.

Team captains Cindy Gibbs and Cathy Lenhart, with Denise Duckett, Anna Komisarek, Linda Miller, and Liz Wilmoth, comprised the first team. Alternates to the varsity were Cheryl Addis, Maryanne Duckett, and Karen McClellan.

In their stances, the volleyball team prepares to receive the game's opening serve.

Linda Miller practices her serves before the game, making sure they are hard and accurate.

Hitting the ball backward, Maryanne Duckett tries to position the ball for a setup.

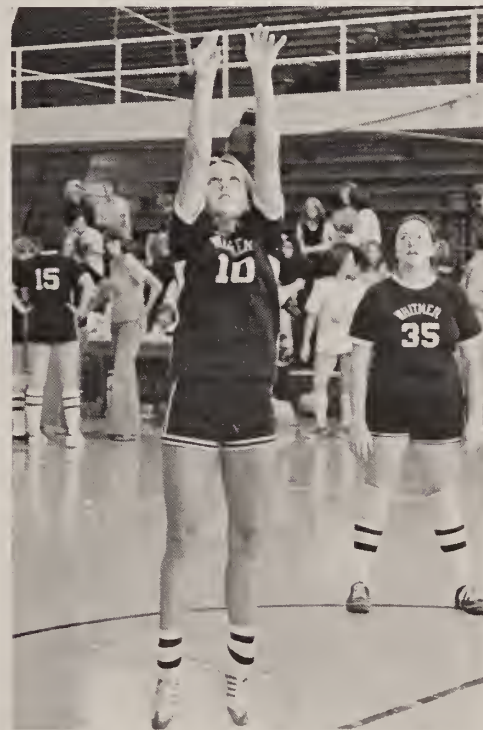

All eyes are on the referee as the team anxiously waits for a decision on a close play.

GIRLS' VARSITY VOLLEYBALL: SITTING: R. Vaughan, D. Duckett, D. Robertson, A. Warren, E. Wilmoth, K. Mathews, T. Heyse, L. Sedlacek. KNEELING: J. Struble — Manager, K. McClellan, D. Miller, L. Standing calmly at the baseline, the team waits while the referee verifies a Panther victory.

Senior Denise Duckett leaps high while leading the team through a pregame tip drill.

Suburban League Baseball Is Ruled by Whitmer's Panthers

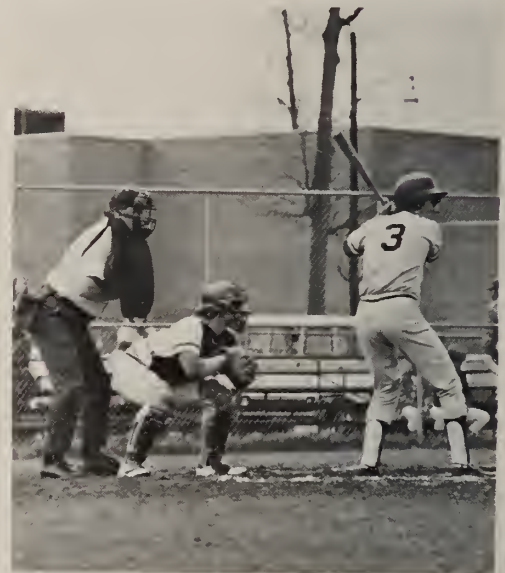

Shortstop Dave Watkins errorlessly fields the ball in time to nail the runner at first.

Joe Malaczewski gets a good lead off first, posing a threat to steal second base.

Southpaw Al Levine adds another victim to his already long list of strikeouts.

When not on the mound, Al Levine shows other skills as he attempts to get a hit.

Batting practice pays off as Tim Crosby laces a solid base hit to left field.

RESERVE BASEBALL: **BOTTOM ROW:** M. Slusher, B. Deedman, G. Malinovsky, J. Koval, J. Rolsten, R. Rodebaugh, B. Burden, J. Smith, T. Hogan, J. Summerville, Mr. Dukate — Coach. **TOP ROW:** S. Kimple, M. Chitwood, J. Dunn, R. Kern, R. Wilson, K. Searight, P. Kolling, B. Cook, D. Pierce, D. Bondy, M. Ziegler.

The 1974 Whitmer varsity baseball team set a new school record with a season mark of 22-10. This gave the Panthers a winning percentage of .688.

For the first time in the school's history, the team traveled to Cincinnati to play that region's most competitive teams during spring vacation. The Panthers represented Northwestern Ohio very well, returning with a 4-2 record.

Pitchers Kevin Balogh, Joe Malaczewski, and Al Levine contributed successfully on the mound. Dave Watkins, Tim Crosby, Bruce Benner, Mark Hamann, Bruce Harsha, and Mike O'Reilly all hit over .300 for the season, while Bob Lepovetsky and Chick Haines performed flawlessly in the field.

The summer Suburban League team continued its winning ways by going undefeated in 15 games, and capturing the league and tournament championships. During the season they averaged six runs per game to their opponents' three.

Whitmer's reserves also did very well, posting a season record of 10-3. They plated an average of seven runs, while their opponents tallied four per game.

First baseman Mark Hamann fields a low throw from the pitcher in an attempted pick-off.

Penetrating the Perrysburg zone, Pat Malaczewski connects on a jump shot for two points.

The Whitmer girls' basketball team started and ended the season on winning notes, but lost seven games in between. Posting a respectable 5-7 record in their first season, the girls opened with a 30-25 win over Maumee.

After losing twice, the girls won over Fremont and Maumee Valley by scores of 36-28 and 32-7. Hitting a dry spell, they lost four games before defeating Bowling Green. Their season ended with a 37-35 win over Springfield.

Led by Coach Harry Will, the team had outstanding players in co-captains Denise Duckett and Pat Malaczewski, with Audrey Tattersall, Lorie Wiler, and Denise Kasly also starting. Tattersall set a record of 19 points in one game.

With grim determination, Audrey Tattersall dribbles around her opponent for a lay-up.

The referee's toss at center court marks the beginning of the girls' first home game.

Whitmer Cagers Notch First Tourney Win in Five Years

An all-suburban player, a school record, and a tournament victory were all part of the varsity basketball team's 8-12 record during the 1974-75 season.

Senior forward Paul Graham was named to the TOLEDO TIMES' All-suburban Team for his accomplishments as a Panther cager. Paul led the team in scoring for the second successive year, racking up an average of 16.9 points per game. He also paced the squad in rebounds with a total of 163. Graham's top scoring game was a 30 point performance against Tiffin Calvert on Parents' Night.

The school record was set by senior guard Mark Hamilton. Mark shattered the team assist mark of 86, finishing with a total of 117. In the process, Hamilton tied the single game record of 10 on three different occasions. Mark was also the team's second leading scorer with an average of 10.8.

Whitmer's first tournament victory in five years came at the expense of the Maumee Panthers. Tough defense and a balanced attack helped Whitmer dominate the game after a tight first period, and break out to a 51-39 decision.

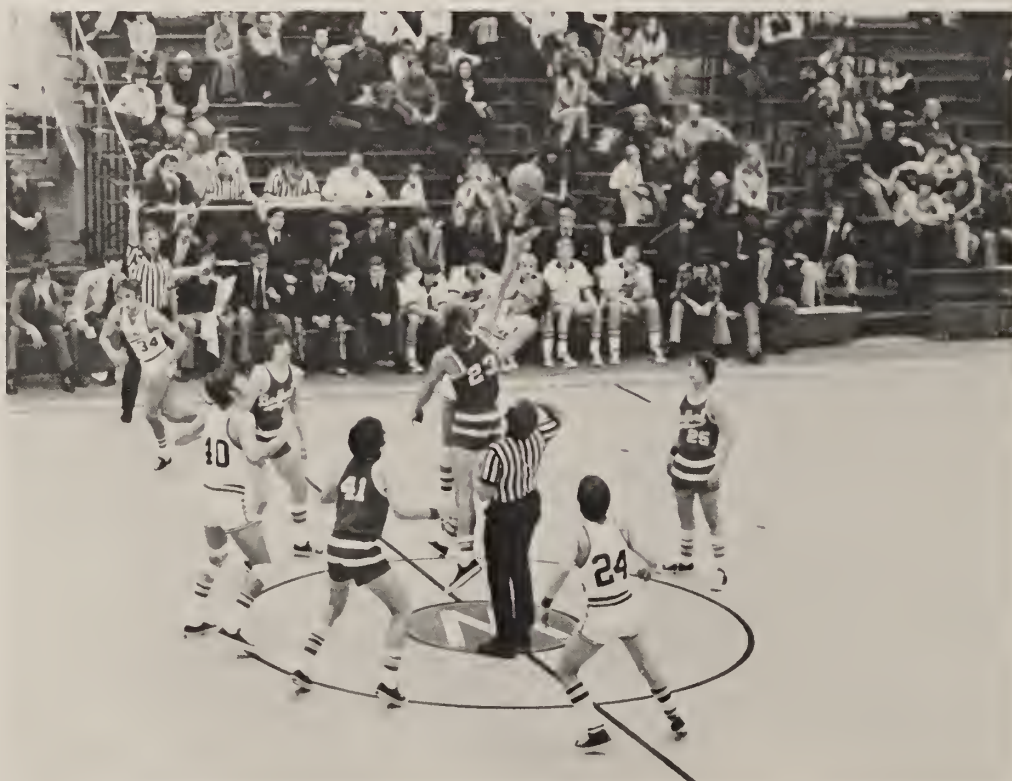

The Panther's season ended in the sectional championship game 59-51. Despite Graham's 22 points, Clay spurred ahead in the third period on the way to their 20th consecutive win. Earlier in the season, the Panthers gave Clay another tough test before bowing to a second half Eagle rally 41-35.

Overall, Coach Jim Kubacki's squad outscored and outrebounded the opposition, but eight losses in a 10 game period in the middle of the season ruined their chance for a winning season. The high point of the year came when the Panthers demolished favored Central 78-56 in the last home game of the year.

Whitmer's reserves finishing with a 9-9 record under first year coach Rick Kaifas, also played one of their best games against Central. The Irish won the city's reserve championship one week after the Panthers trounced them 58-43.

Dave Baker soars high above the floor to guide a missed shot into the hoop.

Activity revolved around Paul Graham as he outleaps his opponent to control the opening tip.

Senior forward Paul Graham latches onto one of his team — leading total of 163 rebounds.

"Who's the best? W.H.S.!" Those were the familiar words of Whitmer cheerleaders that often vibrated the fieldhouse during pep sessions.

Being a completely new varsity squad, the cheerleaders had much work to do. One project they sponsored was an after game dance. Selling homecoming mums was another money-raising and spirit-raising effort of the cheerleaders.

The reserve squad aided in selling mums, and cheered in front of the parents' section during the homecoming game. This year's reserve cheerleaders were the first to be allowed to wear saddle shoes instead of tennis shoes.

Freshman cheerleaders worked hard during the summer months learning chants and routines to enable them to proficiently represent their class.

Whitmer Pantherettes Believe That Practice Makes Perfect

Tryouts for the 1974-75 Pantherettes were held in the spring, with girls exhibiting much ability and poise being selected for the dancing group.

Seniors Jeanne Graham, Debbie Deering, and Janet Reichert danced for their third year, Sharon Sweeney for her second, and Yvonne Schneider for her first.

Practices were held one night a week for approximately two hours, with extra practices scheduled for Saturday mornings on the days they danced.

Several money-raising projects were held during the year, including bake sales and a raffle featuring a hind quarter of beef as the top prize.

Some of their most popular numbers were "Shaft," "Rock Around the Clock" (for which they wore '50's clothes), and a senior production of "Kung Fu."

Senior Sharon Sweeney polishes her routine in the girls' gym while waiting for half time.

Panther Harriers Conclude Season With Fine 7-3 Mark

The 1974 cross-country team showed a marked improvement over past years, compiling a record of 7-3. Team leaders such as Chuck Doarn, Greg Alt, Jeff Leibovitz, Tom Shook, and Steve Kimple helped the team's cause.

Whitmer pride was well-represented in larger meets as the harriers placed second in the Ontario Invitational and third at the Sylvania Invitational. They also placed fourth in the sectional meet, receiving 107 points.

All-state center John Kay and quarterback Dave Baker practice exchanges before the game.

Just when Whitmer seemed to have put everything together, the 1974 football team fell into a long slump and struggled to a 4-5-1 record.

From the start of what seemed a sure 0-0 tie with the St. Francis Knights, it was all downhill. In the game's final six seconds, St. Francis pulled a fake field goal and handed the Panthers a heartbreaking 6-0 loss.

Whitmer seemed to get it all together in the next game against Newark. The game was highlighted by defensive tackle Cliff Bartelt. Cliff grabbed a fumble in mid-air and ran 40 yards for Whitmer's second score in a 12-0 victory.

Then the bottom fell out. Whitmer lost three games in a row to Findlay, Clay, and Lima Senior by scores of 25-6, 7-0, and 34-16, respectively.

Whitmer got back on the winning track with a 24-7 decision over the Start Spartans before a large homecoming crowd. This was Start's first loss of the season and provided a big lift to the Panthers' spirits.

Whitmer then added two more wins to its streak. The first came against a tough, upset-minded Macomber team by a score of 22-8. The second was a relatively easy win over Bedford. Everyone played in the 37-7 contest.

The next game was a real upset as Whitmer went to Sylvania and came home with a 14-0 loss. It was Sylvania's first victory over Whitmer in 17 years.

In the last game, Whitmer claimed a 12-12 tie with highly-rated Central. In their final games were seniors Phil Kolling, Todd Slaman, John Kay, Scott Swy, Skip Dock, Jody Henning, Bill Mason, Keith Lenhart, Randy Shafer, Jeff Holmes, Mark Rohr, Pat Meridieth, Larry Vahle, Tom Marsonек, Norm Orban, and Dave Wood.

After doing an important job with no glory, senior center John Kay received recognition for his efforts when named to the first string All-Ohio team. Kay, linebacker Pat Meridieth, and fullback Bill Mason made the all-suburban team.

Whitmer Golfers Find Little Success During Fall Season

The Whitmer golf team was given a different look this year. The golf season was switched from spring to fall in hopes of better weather.

Under the advisement of second year coach Tim Waltzer, the spring team had a final record of 10-6-1. The fall team, showing a definite lack of experience, found the going rough and struggled to a 3-17 season.

The spring team was led by Phil Roselieb, Jim Metter, and Mike Pietras. Damaged by graduation, the sophomore-filled fall team relied heavily on the senior leadership provided by Dale Lewis and Steve Mercurio.

Hope for the future resulted from the reserve team's 3-2 record.

Senior Steve Mercurio shows professionalism while blasting out of a sand trap.

The winter of 1975 brought a new sport for Whitmer girls to take part in, competitive gymnastics. Competitive ably describes the Panther team which finished with a 12-0 record in its first year of dual competition.

Playing opposition from all over northwestern Ohio — including teams from Bluffton, Elida, Lima Shawnee, and Wapakoneta — the Whitmer girls won by an average of almost 25 points per match. A match consists of competition in four events — balance beam, floor exercise, horse, and uneven parallel bars.

Top individual performers included Carrie Bahna, Eileen Nistel, and Carol Stoll, all qualifiers for the state meet. Their coach was Donald Briggs.

During her floor routine, Barb Gomersall swings about in a graceful, expressive manner.

Score in Overtime Brings Icers Playoff Championship

When you are losing the championship game by the score of 3-2 with nine seconds left, one thing you don't do is quit. Whitmer's hockey team didn't.

With nine seconds remaining against Waite's Indians, Steve Frazier put in the tying goal to send the game into overtime. Halfway through the second overtime period, senior Mike Foore popped in the winning goal.

Previously, the Panthers finished second in the league, and had defeated St. Francis and Sylvania to gain a place in the tournament finals.

Although Frazier and Foore scored the two important goals at the end, it was a tremendous team effort. Steve Pennington, Tim Schmidt, and Chris Sager helped on offense. The defensive duties were handled by Greg Krell, Don McGowan, and Jerry Klinetop. Jim Lambert and Stan Kuron shared goaltending duties.

Moving for the kill, Steve Frazier prepares to steal the puck from an unsuspecting player.

Tennis Team Finishes 1974 With Best Record in History

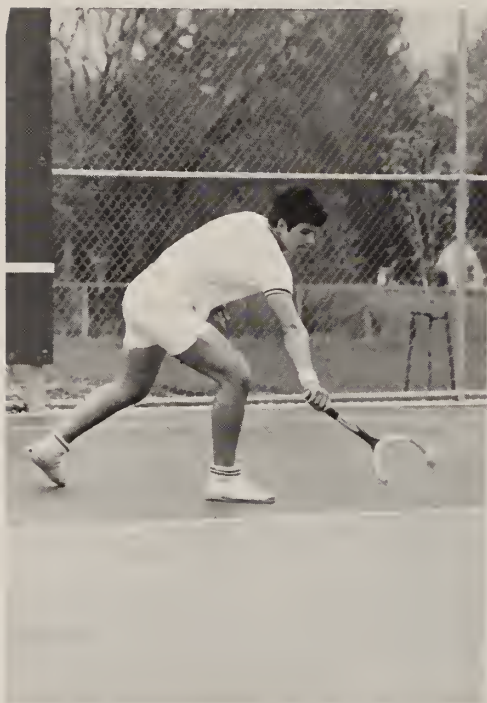

The 1974 Whitmer tennis team racked up the best record in the history of competitive tennis at Whitmer. Led by second year coach Bill Cook, the team worked to compile a 10-5 record against a wide selection of area opponents.

Many individuals played important roles in the team's success in both singles and doubles competition. Varsity letter winners for contributions in singles were Kevin Pituch, Tom Skunda, and Jeff Graumlich. Earning letters for efforts in doubles were Kevin Burns, Mike Flaum, Ric Iagulli, and Al Lancz.

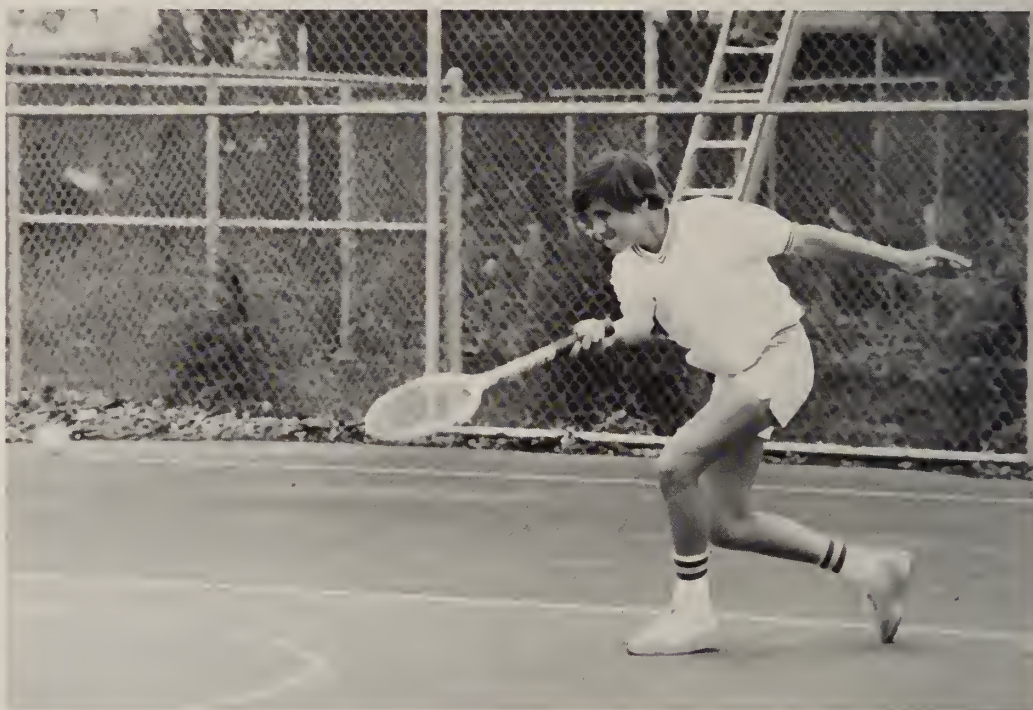

After being drubbed by Ottawa Hills in the opening match, the Panthers won four in a row and five of their next seven matches. Then the netters strung five victories together, beating Bedford twice, Woodward, Clay, and Waite. During this stretch, they averaged over four points of a possible five per match. Included in Whitmer's 10 wins were six shutouts.

With serves like this, it's no wonder Tom Skunda was one of the team's top players.

Whitmer Cindermen Take 1st in 5th Annual 'Gold W' Meet

The 1974 Whitmer track team completed its season with much success. They finished with a 4-3 record in dual meets, and received first place in their own Gold "W" meet. It was their fifth consecutive win in this event.

During the course of the season, four new school records were set by members of the Panther track squad. The mile relay team, consisting of Rick Millette, Frank Jozsa, Jeff Leibovitz, and Dan Hernandez, broke the school record with a time of 3:33.2. Other records were set by Mark Sheppard, who threw the discus 161 feet, and Ken Burzynski, who high hurdled his way to a new school record in 14.2. Another Panther record setter was Dan Hernandez, who established a new mark of 1:58 in the 880 or half mile run.

As a team, the Panthers grabbed fourth place in the sectional meet. Mark Sheppard gained the title of sectional champion in the discus throw.

Ron Gardner breezes with ease while gaining speed on a trip around the track.

Hopkins, Ibarra, and Moore Qualify for State Tournament

Whitmer placed in the top ten in the state wrestling tournament this season, the only team from northwestern Ohio to finish that high. Earning Whitmer's eighth place finish were seniors Mark Hopkins, Dave Ibarra, and Brad Moore.

Whitmer's strong team finished with a dual meet record of 7-3 against a difficult schedule of opponents. Doing very well in tournaments against tough competition, the Panthers placed first at the Rogers and Start Invitationals, and second to Bedford's Mules in the Whitmer Invitational.

By finishing second in the sectional and third in the district tournaments, Whitmer proved to be one of the dominant teams in this area. Senior varsity grapplers who helped establish this impressive record were Mark Hopkins, Brad Moore, Dave Ibarra, Greg Hamel, Rich Wretschko, Mike DeWood, and Pat Meridieth. Wretschko and Ibarra were undefeated in dual meet competition.

Ibarra, one of Whitmer's three district champions and state qualifiers, continued to be undefeated until the state semifinals. He lost his final two matches, placing fourth at 135 pounds and ending the season with a record of 28-2. Hopkins was beaten once at state, finishing third at 122 pounds with a final record of 26-6. Brad Moore was less fortunate than the other two Whitmer wrestlers, being beaten in his first match in Columbus in a disappointing 5-4 decision. The tough 129 pound grappler finished with a record of 20-4.

Other wrestlers aiding the varsity were juniors Mike Cervený, Bruce Moore, and Cliff Bartelt, and sophomores Rollie Mann, Scott Cervený, and Pete Kasper.

The reserves also had a good season, finishing with a 5-2 record and capturing tournaments at Bedford and St. Francis. Top wrestlers included juniors Brian Fellman, Joe Dianda, Mike Maag, Mike Remer, Bill Blond, Steve Lenz, and Brian Beddoes. Lenz went through both tournaments undefeated, while Blond completed the entire season with an unblemished record of 11-0.

After pinning his Cardinal Stritch opponent, Dave Ibarra tells the crowd he's number one.

The new Miss Teenage America is embraced by her predecessor, Lore Lei Matsukawa of Hawaii.

Karen Petersen is congratulated by her competitors in the Miss Teenage America Pageant.

Petersen Chosen to Reign As Miss Teenage America

A trip to Little Rock, Arkansas resulted in the realization of a dream when senior Karen Petersen was named Miss Teenage America on Thanksgiving weekend.

Karen, entering the contest as Miss Teenage Toledo and sponsored by the Dr. Pepper Bottling Company, competed against girls from all over the country in areas including poise, appearance, and talent in the nationally televised event.

Travel is part of Miss Teenage America's life, and Karen has toured the country making personal appearances at important functions such as the Cotton Bowl. She has also met many famous people, including President Gerald Ford.

In addition, Karen will receive a scholarship of \$15,000 for fulfilling the duties and responsibilities the title Miss Teenage America holds.

Whitmer photographer John Gallon, who journeyed to Little Rock to view the pageant, provided the pictures of the event on this page.

After her selection, Karen steps forward to acknowledge the applause of the crowd.

A tense, excited group of candidates anxiously waits as Pep Club President Regina Zuccarell prepares to announce the lucky winners.

Pep Club Starts Tradition With Royal Faculty Contest

An activity which may become a Whitmer tradition was inaugurated at a pep session last fall when Pep Club President Regina Zuccarell revealed the results of a faculty king and queen contest sponsored by the Pep Club.

Each department nominated one of its members for the honor, and students voted for their favorite candidate by contributing money in his or her behalf.

Don Grimm, science teacher, and Diversified Health instructor Mrs. Rita Wright were selected to reign as Whitmer's first faculty king and queen.

Newly-crowned science teacher Don Grimm and junior Theresa Rudd, accepting for Mrs. Rita Wright, receive a rousing ovation

Whitmer's 39th Circus Reveals Students' Talents and Pride

With the help of over 300 students who contributed many tedious weeks of practice, the 39th annual Whitmer Circus displayed both the talent and pride of the school. Under the direction of the physical education staff and ringmaster Mr. Powell Kingsley, three performances presented all fields of acrobatics.

The circus began with co-ed apparatus and continued through to the highly specialized ladders act, which combines floor and ladder pyramids. Acts such as free exercise, two-man girls, calisthenics, advanced co-ed, and elementary co-ed were led by the students themselves. Other traditional acts such as vaulting, two-man throws, three-man girls, and the clowns completed the evening.

Relays and rope climbing brought competition among classes as the representatives raced to gain points for their class. The class of '74 finally emerged victorious, followed closely by the class of 1975.

After many hours of practice, Beth Barton finally achieves perfection in a stunt on the rings.

Joyce Drexler exhibits great balance and poise in performing the free-ex routine.

Specially selected students concentrate while performing the famous ladder act, the traditional finale of the Whitmer Circus.

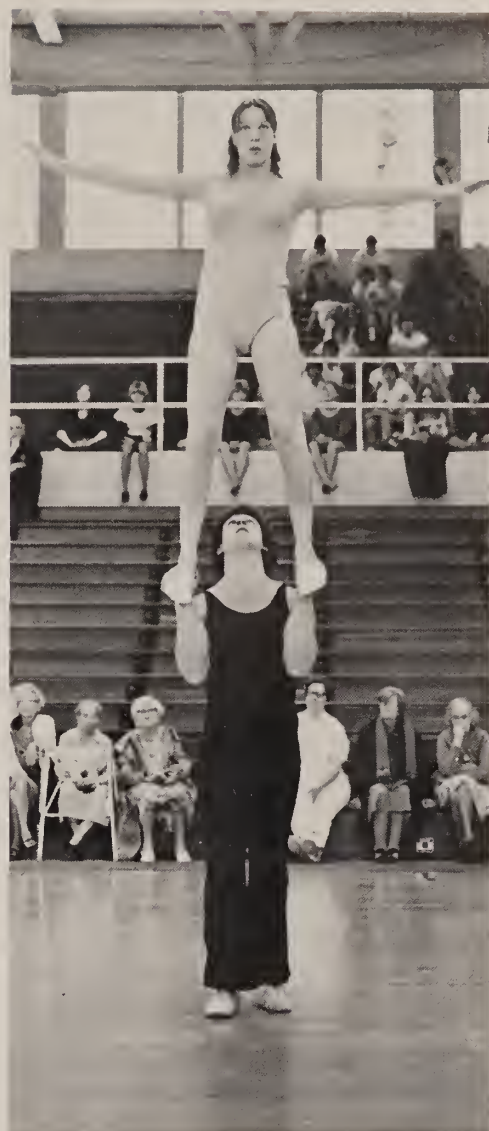

Balance is one of the keys to performing an attractive stunt in the elementary co-ed routine.

Debbie Hackler concentrates to smoothly execute her routine on the uneven parallel bars.

Between acts the clowns had an opportunity to demonstrate their "gymnastic" abilities.

Julia Willis and Ron Von Westernhagen's crowd-pleasing adagio earned a standing ovation.

After working long hours together, the girls in calisthenics perform with perfect timing.

Whitmer Discovers Magical Scottish Village of 'Brigadoon'

"Brigadoon," the 1974 Whitmer musical, was the thirteenth in the history of Whitmer. It was produced and directed by Mr. Paul Slovak, with the aid of Mr. Harmon Meihls, conductor; Mrs. Lillian Hanham, choreographer; Mr. Daniel Frye, vocal director; and Mrs. Susan Slovak, program director.

The cast worked together to enact in song the story of two New Yorkers, Tommy and Jeff, portrayed by Tom Falise and Don Crawford. On a hunting trip to Scotland they discovered the magical village of Brigadoon on the day it came to life, once every one hundred years. In the end, Tommy returned to Brigadoon to be with Fiona, the one he loved. She was played by Amy Morey.

Other important roles were acted by Jim Bonkowski, Ken Zawistowski, Phyllis Hershman, Patti Radebaugh, and Mike Schwartzberg. With the talented cast and the direction of Mr. Slovak, "Brigadoon" was a great success.

Tommy Albright, portrayed by Tom Falise, falls in love with Fiona in an enchanted forest.

The townfolk of Brigadoon gather together to buy and sell goods at the weekly fair.

Mike Schwartzberg intrigues Amy Morey, Tom Falise, and Don Crawford with his tales of Brigadoon.

Jim Bonkowski sings a love song to his bride-to-be before their wedding.

Amy Morey, portraying Fiona MacLaren, sings a solo filled with much emotion.

Jim Bonkowski mingles and chats with the womenfolk of Brigadoon at the weekly fair.

Patti Radebaugh stuns the audience with her magnificent ballet talents as she does a routine just before her wedding.

The day of the dedication was highlighted by an appearance by then — Governor Gilligan.

As Superintendent of Washington Local Schools, Mr. Nightingale spoke at the dedication.

Mrs. Zahn, a member of the school board, was present for the opening of the new center.

Dedication Ceremony Held for Opening of Vocational Center

When school began this past fall, hundreds of Whitmer High School students profited from the opening of the Vocational Center which had just recently been completed. The four million dollar building equals about half of the space in the present Whitmer building, and houses approximately 800 students.

The dedication for the center was held on October 13, 1974. Guest speakers included then — Governor John J. Gilligan, Superintendent of Washington Local Schools Homer S. Nightingale, and Mrs. Sharon Zahn, a school board member.

Some skills taught in vocational courses are demonstrated by a student of cosmetology.

Checking blood pressures, Laurie Schultz represented Diversified Health Occupations.

After the dedication ceremony, the newly-erected Vocational Building opened for viewing.

Festivities Throughout Week Lead to Eventful Homecoming

"A Time For All Seasons" was the theme chosen for Whitmer's 1974 homecoming festivities. A snake dance on Thursday night from Wernert School to Whitmer was the first of a weekend of activities that led up to the homecoming dance Saturday. At the pep session following the snake dance, Tom Hardy, senior class president, announced the freshman, sophomore, and junior attendants.

On Friday morning, the senior and junior girls clashed in the traditional Powder Puff football game. The juniors were victorious by the score of 6-0.

That night, Whitmer's Panthers beat the Spartans of Start in the Whitmer Memorial Stadium 24-7. Before the game a parade of floats, built by each class, carried the attendants and candidates to midfield where 1973 Homecoming Queen Pam Bucher crowned Kathy Recker Whitmer's homecoming queen for 1974.

Students gathered Saturday night and danced to the music of Canis Major at the annual homecoming dance. The fieldhouse was appropriately decorated with scenes that illustrated the theme of "A Time For All Seasons."

During pregame introductions, Mike Doe receives a warm welcome from his teammates.

An important part of the homecoming celebration, the flag girls respond to a touchdown.

Jim Bonkowski talks to his invisible friend Harvey, the rabbit only he can see.

All-Star Senior Cast Proudly Presents Comedy — 'Harvey'

In the senior class production of "Harvey," Elwood P. Dowd (Jim Bonkowski) invents an invisible companion, a 6-foot white rabbit named Harvey.

Elwood's sister, Mrs. Simmons (Nancy Beauchamp), and his niece Myrtle Mae (Sally Pfund), decide that Elwood has a problem and attempt to admit him to an asylum. Problems and mix-ups occur which result in the admittance of Mrs. Simmons instead of Elwood. After the mix-up is discovered, a search is made.

Once Elwood is found, Doctors Chumley and Sanderson (Bill Lloyd and Tom Falise) decide to prepare a special treatment for him. Realizing that the treatment would change Elwood's personality, Mrs. Simmons withdraws her brother from the asylum, allowing him to remain the person he is.

Other cast members were Robin Wendt, Tom Chininis, Jeanne Graham, Colleen Crawford, Joe Sokolowski, and Mr. Loren Shearer. Mrs. Nannette Bucklew was the director, with Patrice Carl serving as the student director.

Wanting to have her brother admitted to the sanatorium, Nancy Beauchamp talks to the doctor.

Bill Lloyd ponders the rabbit's existence as he looks at the holes in Harvey's hat.

The cast and crew of the senior class play take time off from their rehearsal for a picture.

To prove the rabbit's existence, Elwood (Bonkowski) has his friend's picture painted.

Upon meeting Mrs. Chumley, played by Colleen Crawford, Elwood offers her his card.

After being mistakenly placed in the sanatorium, a shaken Mrs. Simmons returns home.

Attendants Jeanne Graham and Tom Chininis discover the mistake in admitting Mrs. Simmons.

Junior Talent and Support Make for Successful Play

Believing that his friend George is dying, a drunken Arnold (Mike Remer) offers his help.

Judy Kimball (Sharon Zagol) dreams that the doctor informs her that George has bone chips.

In another dream sequence, George Kimball (Jeff Skinner) is turned out to beg on the streets.

In a dream, George envisions his wife as being unfaithful and in the arms of another man.

The cast of "Send Me No Flowers" holds a relaxed meeting before beginning a lengthy dress rehearsal.

Learning that George's wife believes George is dying, his doctor breaks out laughing.

Sharon Zagol welcomes her old boyfriend (Denny Bowerman) while her husband looks on.

"Send Me No Flowers" was chosen as this year's junior class play. Directed by Miss Denise Tomanski, with assistance from student directors Janet Lewis and Debbie Charvat, the comedy was presented in two evening performances.

The action centers around the married life of Judy and hypochondriac George Kimball, played by Sharon Zagol and Jeff Skinner. Believing that he will soon die of a heart condition, George picks Bert Power, an old friend of Judy's from Texas played by Denny Bowerman, to be his wife's husband when he is gone. This leads Judy to believe that George actually has a mistress and is only pretending to be ill. Things become quite hectic before the end, but Judy finally sees that George is sincere in his feeling of sickness, and all is forgiven.

Other major roles included George's friend Arnold Nash, portrayed by Mike Remer, and Dr. Morrissey, who was played by Ken Zawistowski.

Hypochondriac Jeff Skinner goes to Dr. Morrissey (Ken Zawistowski) for a checkup.

Looking back over his life, Jeff remembers one of the girls (Ginny Conner) he passed up.

Judy dreams of her husband having an affair with another woman (Terri Hoffman).

Whitmer Recognizes Students for Outstanding Achievements

The 1974 Awards Assembly recognized outstanding students for their achievements in math, speech, drama, language, physical education, and other fields.

Singled out was Bob DeShetler, who was presented with the Harvard Book Award. This award is given each year to the junior student who has accomplished outstanding work in the academic subjects. Best actress and actor awards went to Patti Radebaugh and Don Crawford, respectively.

Presentations to outstanding seniors Joette Boyd, Barb Henricks, Brad Kettermann, Brian Ruff, and Tina Winkle, were made by Associate Principal Donald Bahna.

The naming of senior Bruce Harsha as the 1974 recipient of the Dale Crow Award provided a fitting climax to the assembly. This award, started in 1946, honors a former Whitmer student and teacher who was killed in World War II. It recognizes a senior boy for exceptional scholastic and athletic contributions.

Bob DeShetler shakes hands with a Harvard representative upon receiving the Harvard Book.

Robin Hutchinson is recognized by Miss Tomanski after placing second in a state poetry contest.

A certificate is awarded to Sarah Sheon for participating in state competition.

Mr. Martin proudly congratulates Bruce Harsha as the recipient of the Dale Crow Award.

Repeating the oath after Larry Vahle, Janet Pickle is sworn in as Student Council president.

Junior Prom Captures Mood, Feeling, and Color of Spring

As the months of spring arrive, they bring new color and life to the students of Whitmer. This feeling was captured and made part of the atmosphere of the 1974 Junior Prom, which had an appropriate theme of "Pieces of April."

Couples danced around the Whitmer Fieldhouse to the music of the band, Myth.

Amid the fountains and flowers, the couples took time out from their dancing for the announcement of the prom queen. Karen Petersen was crowned 1974 Junior Prom Queen by Terri Peterson, president of the junior class.

Unaware of the surprise awaiting her, Karen Petersen arrives at the dance with Dave Angel.

Junior Prom is enjoyed by many couples as they dance to the music of the band, Myth.

Rhoades Rules Senior Class as ORACLE Queen for 1975

Queen Diane Rhoades

A three-step judging process, designed to choose the most photogenic seniors, has resulted in the selection of Diane Rhoades as 1975 ORACLE Queen.

More than 400 senior girls were considered for the distinction of most photogenic, with Diane surviving the elimination rounds and final judging.

Active in school life, Diane's extracurricular activities have centered around the music department and the fields of athletic competition. A member of the Varsity Band for three years, Diane also played in the Marching Band as a sophomore. For the last two autumns she has led the band across the field as a Whitmer majorette. Not confining her support of Whitmer athletics to the football team, Diane has been a wrestling and a basketball cheerleader in the last two years. She has also been an active participant in the Whitmer Circus.

Congratulations are in order for ORACLE Queen Diane Rhoades and her lovely court of Joyce Drexler, Kim Esser, Sharon Forche, and Sue Kirk.

Watkins Wears Royal Crown as 1975 ORACLE Monarch

King Dave Watkins

Dave Watkins went through the same rigid judging to be selected as the most photogenic senior boy. The ORACLE staff narrowed the contenders down from 400 to about 20. A faculty panel cut the field to five finalists. Mr. Bob Abraham, of H.A. Powell Studios, then had the unenviable task of choosing the winner.

For the last three years King Dave Watkins has spent a considerable amount of time in the uniforms of Whitmer's baseball and basketball teams. A top-notch infielder on the baseball team, Dave's hitting and fielding have helped lead the Panthers to successful regular seasons and an undefeated championship in last year's summer league. Playing varsity basketball for two years, Dave was valuable as a substitute guard and forward. His coach described Dave's unending hustle as his most valuable asset. Dave is also a member of the Varsity W.

Comprising the court of 1975 ORACLE King Dave Watkins are Kevin Gillespie, Bruce Hill, Bill Mason, and Ron Von Westernhagen. The ORACLE salutes them all.

Mr. Homer S. Nightingale — Superintendent of Schools

Administration

The 1974-75 school year will be remembered as a year of continuous devotion and effort on the part of the Washington Local Board of Education. The board is dedicated to providing the school district with the best education and facilities possible.

On Oct. 13, 1974, the new vocational wing was dedicated by Governor John J. Gilligan. Hundreds of students benefited from the opening of this facility, one of the best vocational centers in the state of Ohio.

Heading the administration, Superintendent Homer S. Nightingale completed his 17th year as the system's leader. He has given 30 years of service to the Washington Local Schools in the capacities of teacher, principal, assistant superintendent, and superintendent.

Other administrative leaders are Mr. Dean DeLong, Mr. David Huffman, Mr. Martin Brumbaugh, Mr. Harvey Davis, and Mr. Henry Roberson. They have combined their efforts to make our school system the best.

Mr. Michael Craden was appointed to the school board to take the place of the retiring Dr. Kenneth DeGood. He joined board members Mr. Henry Metzger, Mrs. Sharon Zahn, Mr. Bernard Janis, and Rev. Phillip J. Rapp in making decisions regarding our schools.

Unusual developments and demanding problems such as the December fire which destroyed nine portable classrooms at Shoreland School presented the board with crucial questions which demanded wise decisions.

Mr. Dean DeLong — Assistant Superintendent

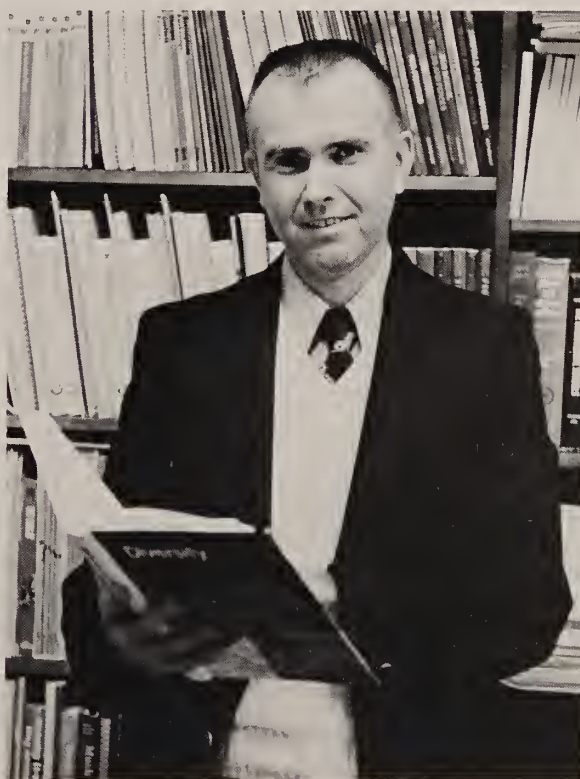

Mr. Martin Brumbaugh — Administrative Assistant for Business.

THANK YOU FOR YOUR PATRONAGE

So one of the best—
 It's hard to believe
 that another school
 year has come and
 gone so quickly! This has
 been the best one yet!
 Always remember the
 parties and basketball
 our gany and homeroom class—
 and our best times ever
 sharing laughs and a bottle
 of Coke everyday after school!
 Have a great summer!
 Keep in touch!

It's the real thing. Coke.

who needs more power plants anyhow!

You do.

If you want to use the products you own today and will own tomorrow. Most are powered by electric energy.

If you want to work. Every job requires the use of electricity in some form.

If you want to live in a quality environment. Most pollution control equipment runs on electric power.

You need power plants . . . for all your wants

LOF IS A BIGGER PART OF YOUR
LIFE THAN YOU MAY THINK

At LOF we manufacture furniture components special hoses that can withstand jet engine heat and stratospheric cold, gas tanks, and toboggans. And, of course, there's glass.

Like the Catyak, they're all examples of the many engineered products for home and industry that make LOF a bigger part of your world.

FACILITIES: The Club's complete recreational facilities include an 18-hole championship and a 9-hole par 3 golf course and putting green, 4 Laykold tennis courts, an olympic-sized swimming pool with a diving well and wading pool. The Club offers a commodious clubhouse with banquet facilities for member parties and social events. The Club has locker rooms for both ladies and gentlemen. Our Athletic Building houses a grill room, cocktail lounge, pro shop and indoor computerized golf — all of which are open year 'round. **ACTIVITIES:** Equal in importance to our Club's physical plant and grounds is our program of social and athletic events for our members. Many golf tournaments are scheduled for our members. Our tennis program includes tennis ladder and intra-club competition. Other activities include swimming and diving with a total well-rounded swimming program, volleyball, and many social events for both **adults** and the entire family.

IN MEMORIAM

MR. HARMON MEIHLS
LIZ CLARK '74

....FINISH

It was the hope of this ORACLE staff to display the happenings of the year in a unique and memorable fashion. Combining the many ideas and styles of the staff members, I feel we have accomplished our purpose.

It is my wish to especially thank staff seniors for their much needed time and work. In addition, very special Thank-you's to:

Mary B. for not putting in a fun ad of an Italian Editor (olé);

Robin H. for producing a verysharp-looking faculty section;

Ken R. for his exciting talks in regard to the Toledo Goaldiggers;

Barb J for all the fun we had in our many games of hangman;

Jackie D. for a set of special lyrics in a song by Cat Stevens;

The junior staff members for all their enthusiasm and cooperation;

Mr. T. for his being a lot more than just an advisor;

Sid R. for his special interest and hard work;

Mr. Kaemming for lending us the use of his talents in designing the road for our cover.

All of our 1975 staff members had an influence on the outcome of this yearbook. Each idea being carefully considered and all new possibilities being discussed, we as a staff have molded the book around the theme "On the road to find out."

After remembering the year as it was, think not of page 340 as the end — rather imagine a page 341 as the beginning of a new and exciting future.
